Please note, all deposits are non-refundable and no correspondence will be entered into concerning this. The cancellation period does not include the preceding seven days prior to departure date.

Unfortunately, we do not have control over visa approvals, as this is entirely under the jurisdiction of the Saudi Government. If a Tourist eVisa application is unsuccessful for any reason, the applicant will not be entitled to a refund of the eVisa application fee. In such cases, we will advise the submission of a different visa type application, which will incur an additional cost to the pilgrim. Read [terms and conditions](#) for more information.
